

- Follow the graduate credit requirements and supervisory committee policies in the Graduate Catalog ([link](#))
- If any committee member is not a full or affiliate member of the graduate faculty, attach
  - a memo from the program/department chair indicating the chair and department's support for this person to be on the committee and list the expertise this person brings to the committee
  - a copy of the person's curriculum vitae (CV).
- If a proposed graduate research project involves human subjects, animal welfare, or biohazards, the project must be submitted for review and approval by the appropriate NDSU review committee. Consult the Research Integrity and Compliance page for more information.

## Transfer Credits

If transferring credit, official transcripts with grades posted from the transfer institutions must be on file in the Graduate School PRIOR to approval of the Plan of Study. NDSU graduate-level course work is not considered transfer credit, even if those credits were taken while in a different graduate program.

## Supervisory Committee

The supervisory committee for Plan A or Plan B students will have at least three members, see the for details. *If a committee member is not a full or affiliate member of the graduate faculty, the Plan of Study must include 1) a memo from the program/department chair explaining the qualifications of and rationale for this person to serve on the committee and 2) a copy of the person's curriculum vitae.*

**The supervisory committee approves the listed courses and research to satisfy the master's degree requirements.**
