### Tri-College

Tri-College is a consortium comprised of NDSU, Minnesota State University Moorhead, Concordia College, Minnesota State Community and Technical College, and North Dakota State College of Science. Grades and credits are calculated in the home institution's cumulative totals. Courses taken by NDSU students via Tri-College are marked with a \*M (Minnesota State University Moorhead), \*C (Concordia College), \*TC (Minnesota State Community and Technical College), or \*SC (North Dakota State College of Science).

### Repeated Courses

Repeated courses are noted on the transcript. Initial attempts remain on record, but only the last completed attempt of a repeated course is included in cumulative totals. Typically if last term of attendance was prior to Fall 2002, historical records include:

- parentheses ( ) around credits excluded from GPA calculations, with the exception of F grades
- asterisks (\*) to reference grading footnotes
- 'Z' indicators to note repeated courses; excluded from GPA calculations

### Authenticity of Transcript
